A black and white cartoon illustration. On the left, a character with a striped, cylindrical head and a small body is shown in profile, looking towards the right. On the right, a character with a large, round, skull-like face with three eye sockets and a wide, open mouth is shown. This character has a speech bubble that says "IF!". Below the characters, there is a large, stylized exclamation mark followed by a series of vertical lines, resembling a sound effect or a burst of energy.
